

The Harrodsburg Herald Happy First Birthday Form

We prefer that you submit a picture and the information below at least two to three weeks prior to the baby's birthday and they must be submitted no later than 5 p.m. Friday of the week BEFORE they are published. We publish the pictures on the Thursday before the baby's birthday.

*If parents are NOT married and you wish to include the father's name, the father must bring a picture ID to our office and sign a permission slip to use his name as the father. There are NO EXCEPTIONS to this requirement and the picture will not be published until we have the father's signed permission and see a picture ID.

PLEASE WRITE YOUR BABY'S NAME AND BIRTHDATE ON THE BACK OF THE PICTURE and come and pick up the picture within a week of the date it is published. Pictures may be picked up at the front cashier's desk of the Herald office. We do not return them by mail. Pictures are published two inches wide and three inches long and good quality billfold size pictures are easiest to reduce or enlarge to the standard size published. The Herald does NOT take the photos. We cannot use photos printed off the Internet or off a computer because they have a screen on them that will not reproduce well.
