2021 Little Miss and Mister Mercer County Fair Pageant FAQ's

1. Why would we need to provide proof of residence? Mercer pageants are closed to outside counties; therefore only children that reside in Mercer County can participate.
2. Why do you need the name of my child's school or daycare? We use this information in the newspaper photo's leading up to the pageant.
3. Will you accept my application in person? Yes, you can drop off your application at the Whitaker Bank – Main Office location. Place your application & entry fee for both contestants in an envelope, on the outside of the envelope put attention Malissa LM&M Director. Leave it with one of the tellers and they will get it to me.
4. Will you accept late entries? Late entries may or may not be accepted. Factors such as the maximum # of contestants has been reached may prohibit additional entries. However, if the application is accepted/received after the photo session date, the couple **will not** be eligible for the most photogenic award and no photo's will be used in the paper or program.
5. Can we submit our own photograph of the couple? We are sorry but we are not accepting privately submitted photographs.
6. Can we contact the photographer after the deadline to photograph the couple? Contacting the photographer requesting photos to be taken after the deadline is not permitted.
7. Will there be a parent meeting prior to practice? Yes. Once all the entries have been received and processed the director will contact you with a parent meeting date.
8. How will the directors communicate with the parents? Typically, our form of communications will be via text. Therefore, it is imperative that you provide us with any cell numbers that you want to receive communication concerning the pageant.
9. Where will this meeting be held? Typically this is held in the pageant building (white building behind the stands closer to 127).
10. What will they wear for interviews? An outfit of your choice...Typically contestants try to coordinate for interviews and when competing on stage at the pageant.
11. Why can't we have more than one person per child in the pageant building on the day of the pageant? Due to the size of the building and the number of contestants we must keep it at one adult per child.
12. Will our children be asked an on stage question? No, since they do not have onstage questions at the state level we will not have an onstage question. Contestants will be able to show personality & stage presence during on stage introductions, so work with your child to get them prepared talking into a microphone.
13. What are the questions in the application used for? These questions will be used during the judge's interview process.
14. Will there be a theme? Currently, we do not plan on having a theme for the pageant.
15. How the judging is scored...Interview = 50%, On-Stage Appearance = 30%, On-Stage Introduction = 20%. Finally all contestants will come back on the stage for a comparison judging (On-Stage/Overall) which can add additional 2-5 points to the total score. Ranking 1-4
