

# 2021 Ms. Mercer County Fair

There is no expertise or experience required for this pageant. We want to change the way women in our community feel about themselves. The purpose of this pageant is to build self-esteem, confidence, build a better relationship with other women, and most importantly show people that you aren't afraid to be who you are. We want women to get out of their comfort zone, dress up, and make themselves feel beautiful. Most of all we want to tell Mercer County the stories behind the amazing women who reside, work, and change lives every day in this community.

Simple... Choose an outfit, choose a song to walk out to, give a brief introduction and answer an on stage question. BOOM you're done!!!!
